### FINANCIAL PROJECTIONS OF THE DOMESTIC INSURERS

## CONFIDENTIAL

**Note:** The Applicant, in its cover letter to OCI dated August 3, 2015, requested confidential treatment for this exhibit on the grounds that the financial projections of the Domestic insurers contain trade secret information which, if released, would give advantage to competitors and serve no public purpose.

The information contains key managerial strategic decisions concerning the Domestic Insurers' growth prospects, which, if known to the Domestic Insurers' competitors, would result in great competitive harm to the Domestic Insurers.
