

Provider Access to Injured Patients and Families Compensation Fund (Fund) Data—Instructions

This document provides you with instructions to gain secure access to the Fund database and opt-in to paperless billing.

In order to view Fund bills online, access to the state of Wisconsin's Web Access Management System (WAMS) is required. Below are instructions for creating an account with WAMS (if you don't already have one for accessing other state applications). Once the WAMS account is created follow the subsequent instructions to register for Fund system access.

NOTE: Before you begin following the step-by-step instructions, be sure you have the following information available. The IPFCF registration process (beginning on page 7) requires the following:

- To verify your identity
 - Fund account number. You will find the account number following your name on the upper left-hand corner of your Fund assessment. The account number will be from one to five digits.
 - Ref. # found at the top of the Fund assessment.
- To opt-in to paperless billing
 - The designated e-mail address to use for billing notices.

The instructions below are a ONE-TIME PROCESS. Once this process is complete, you will be able to access the Fund system at <https://ociaccess.oci.wi.gov/ipfcf-provider> (opens in new window) using your WAMS ID and password.
