Re: Acquisition of Control of Physicians Insurance Company of Wisconsin Inc. by
ProAssurance Corporation
Request for Admission As a Party

Dear Mr. Nepple:

Please see the attached Request for Admission As a Party.

Sincerely,

David Moss, MD

**OFFICE OF COMMISSIONER OF INSURANCE
STATE OF WISCONSIN**

In the Matter of the Acquisition of Control
of Physicians Insurance Company of Wisconsin, Inc.
by ProAssurance Corporation

REQUEST FOR ADMISSION AS A PARTY

The undersigned Dr. David H. Moss, for himself and as Custodian for Starr H. Moss UWIUTMA and as Trustee for Emergency Resources Group 401(k) Plan (collectively, the "Interested Parties") requests admission as a party to the above-captioned proceeding pursuant to Wis. Stat. § 227.44(2m). In support of this request, the undersigned states as follows:

1. The Interested Parties are the record and beneficial owners of a total of 514 shares of common stock of Physicians Insurance Corporation of Wisconsin ("PIC"), a stock insurance corporation organized under Chapter 611 of the Wisconsin Statutes. Of these 514 shares, 157 shares were purchased in September 2005 by American Physicians Assurance Corporation, a Michigan stock insurance corporation ("APAC"). The purchase of these shares is under review by the Commissioner (Case # 04-C29283). Upon information and belief, PIC has not re-registered the 157 shares sold by the Interested Parties to APA.

2. On December 8, 2005 PIC and ProAssurance Corporation executed an Agreement and Plan of Merger ("Plan") whereby ProAssurance will acquire all the outstanding shares of common stock in Physicians Insurance Company of Wisconsin, Inc. (PIC Wisconsin). The definitive agreement calls for each share of PIC Wisconsin stock to be converted into shares of ProAssurance stock having a value of \$5,000.

3. On December 21, 2005, ProAssurance Corporation filed the Plan to acquire all the outstanding shares of common stock in Physicians Insurance Company of Wisconsin, Inc. (PIC Wisconsin).

Error! Unknown document property name.

4. Upon information and belief, ProAssurance has filed a Form A Statement Regarding the Acquisition of Control of or Merger With a Domestic Insurer ("Form A") with the Commissioner's office and the Commissioner will hold a hearing with respect to such approval as required by Section 611.72(3) of the Wisconsin Statutes.

5. The Interested Parties have a substantial interest that may be affected by the Commissioner's decision following the hearing because, if the Commissioner determines to withhold approval of the Plan, the Interested Parties will be prevented from selling their shares of PIC common stock to ProAssurance pursuant to the Agreement and Plan of Merger. Further, the failure of the Commissioner to approve the Plan or the failure of the Plan to be consummated for any reason could result in the Commissioner re-opening the suspended Form A Proceeding of APA's proposed acquisition of PIC (Case # 04-C29283). This could potentially result in the unwinding of APA's prior acquisition of 157 shares from the Interested Parties. The Interested Parties could effectively be prevented from disposing of any or all of their shares of PIC common stock, all to their substantial economic detriment.

5. The Interested Parties therefore have a substantial interest that may be affected by the decision following the hearing in this proceeding required by Wis. Stat. §611.72(3) and, therefore, should be admitted.

Dated this 12th day of January, 2006.

Dr. David H. Moss, for himself and as Custodian for Starr H. Moss UWIUTMA and as Trustee for Emergency Resources Group 401(k) Plan
